## **INTENTION TO MAKE A NORMAL COURSE ISSUER BID**

Fairfax Financial Holdings Limited announces that it intends to make a Normal Course Issuer Bid, subject to regulatory approval, for up to 1,000,000 of its subordinate voting shares through the facilities of the Toronto Stock Exchange and in accordance with the rules of the Exchange. The shares to be purchased for cancellation represent less than 10% of the public float of the 13,391,918 outstanding subordinate voting shares of Fairfax. This Normal Course Issuer Bid will commence September 20, 2002 and may extend until September 19, 2003.

Fairfax is making this Normal Course Issuer Bid because it believes that in appropriate circumstances its subordinate voting shares represent an attractive investment opportunity and that consequently purchases under the bid will enhance the value of the shares held by the remaining shareholders.

Fairfax has purchased 210,200 of its subordinate voting shares at an average price per share of \$124.32 (including 178,000 in September at an average price per share of \$121.16) under its Normal Course Issuer Bid which commenced September 20, 2001 and will terminate on September 19, 2002.

Fairfax Financial Holdings Limited is a financial services holding company which, through its subsidiaries, is engaged in property, casualty and life insurance and reinsurance, investment management and insurance claims management.
