Please refer to the accompanying Management Proxy Circular for further information regarding completion and use of the proxy and other information pertaining to the meeting.

MANAGEMENT PROXY CIRCULAR

(Note: Dollar amounts in this Management Proxy Circular are in Canadian dollars except as otherwise indicated.)

Voting Shares and Principal Holders Thereof

We have 17,116,977 subordinate voting shares and 1,548,000 multiple voting shares outstanding. Each subordinate voting share carries one vote per share at all meetings of shareholders except for separate meetings of holders of another class of shares. Each multiple voting share carries ten votes per share at all meetings of shareholders except in certain circumstances (which have not occurred) and except for separate meetings of holders of another class of shares.

Each holder of our subordinate voting shares or multiple voting shares of record at the close of business on April 10, 2006 (the "record date" established for notice of the meeting and for voting in respect of the meeting) will be entitled to vote at the meeting or any adjournment thereof, either in person or by proxy. Shareholders representing in person or by proxy at least 15% of our outstanding shares constitute a quorum at any meeting of shareholders.

The Sixty Two Investment Company Limited ("Sixty Two") owns 50,620 subordinate voting shares and 1,548,000 multiple voting shares, representing 47.6% of the total votes attached to all classes of our shares (100% of the total votes attached to the multiple voting shares and 0.3% of the total votes attached to the subordinate voting shares). V. Prem Watsa, our Chairman and a director, controls Sixty Two and himself beneficially owns an additional 255,552 subordinate voting shares and exercises control or direction over an additional 2,100 subordinate voting shares. These shares, together with the shares owned directly by Sixty Two, represent 48.4% of the total votes attached to all classes of our shares (100% of the total votes attached to the multiple voting shares and 1.8% of the total votes attached to the subordinate voting shares). To the knowledge of our directors and officers, there are no other persons who beneficially own (directly or indirectly) or exercise control or direction over more than 10% of the votes attached to any class of our shares, except that, according to our best information, Southeastern Asset Management, Inc. owns or controls 3,748,980 of our subordinate voting shares, representing 21.9% of that class of shares.

Annual Report

We have enclosed a copy of our Annual Report including our financial statements and the notes thereto for the year ended December 31, 2005. No action will be taken at the meeting with respect to approval or disapproval of the Annual Report.

Shareholder Proposals for Next Year's Annual Meeting

The *Canada Business Corporations Act* permits certain eligible shareholders to submit shareholder proposals to us, which proposals may be included in a management proxy circular relating to an annual meeting of shareholders. The final date by which we must receive shareholder proposals for our annual meeting of shareholders to be held in 2007 is December 5, 2006.

Other Business

Our management is not aware of any other matters which are to be presented at the meeting. However, if any matters other than those referred to herein should be presented at the meeting, the persons named in the enclosed proxy are authorized to vote the shares represented by the proxy in their discretion and in accordance with their best judgment.

Compensation of Directors

Our directors who are not officers or employees of us or any of our subsidiaries receive remuneration for their services in the form of a retainer of \$25,000 per year plus a fee of \$1,000 for each Board or committee meeting attended. The Chair of the Audit Committee and the Lead Director each also receive a further retainer of \$10,000 per year, and the Chair of each other committee also receives a further retainer of \$5,000 per year, for services in those respective capacities. In addition, non-management directors joining the Board in or after 2002 are granted a restricted stock grant (or, as a result of applicable tax rules, an option equivalent) of approximately \$500,000 of our subordinate voting shares, vesting as to 10% a year commencing one year after the grant (or, if desired, on a slower vesting schedule). Additional amounts may be paid for special assignments. Please see the table "Ownership or control over voting securities" for information concerning stock-related awards to directors. Any such awards made to directors are on our outstanding subordinate voting shares purchased in the market and there is no dilution to shareholders. In 2005, directors received aggregate cash compensation of \$212,250 pursuant to the above arrangements as then in effect and an aggregate of 2,264 restricted stock grants and 2,840 options. Non-management directors are also reimbursed for travel and other out-of-pocket expenses incurred in attending Board or committee meetings or in otherwise being engaged on our business. Our Chairman does not receive compensation for his services as a director separate from his compensation as Chief Executive Officer.

Messrs. Bennett, Griffiths and Hartog served on the Board of directors of our subsidiary Northbridge Financial Corporation in 2005. In that capacity, each received a retainer of \$15,000 per year plus \$1,000 per Board meeting attended.

Messrs. Bennett, Griffiths and Hartog served on the Board of directors of our subsidiary Crum & Forster Holdings Corp. in 2005. In that capacity, each received a retainer of US\$15,000 per year plus US\$750 per Board meeting attended.

Messrs. Bennett, Griffiths, Hartog and Sweitzer served on the Board of directors of our subsidiary Odyssey Re Holdings Corp. in 2005. In that capacity, each received a retainer of US\$25,000 per year plus US\$750 per Board meeting attended.

Messrs. Griffiths, Hartog and Murray served on the Board of directors of our subsidiary Lindsey Morden Group Inc. in 2005. In that capacity, each received a retainer of \$6,000 per year plus \$500 per Board meeting attended.

Director Share Ownership

Each Board member is expected to hold for the long term significant equity in Fairfax. Our Corporate Governance Guidelines provide that the Board will confirm each year that each member owns equity equal in value to at least five times the amount of his or her annual retainer. Directors who do not meet this minimum must apply their annual retainers to purchase subordinate voting shares (or similar equity-like ownership) of Fairfax until it is satisfied.

Directors' and Officers' Insurance

We purchase and maintain Directors' and Officers' Liability Insurance for our directors and officers and the directors and officers of certain of our subsidiaries. This insurance forms part of a blended insurance program which provides a combined aggregate limit of liability of US\$155 million, with a deductible to us of US\$10 million per loss under the Directors' and Officers' Liability Insurance. The approximate annual premium for this Directors' and Officers' Liability Insurance is US\$750,000.

Indebtedness of Directors and Executive Officers

We maintain a share purchase plan whereby the directors could, until July 30, 2002 when U.S. legislation applicable to us prohibited the making of any further loans under the Plan, from time to time grant to designated employees, officers and directors of us or any subsidiary a loan (which may be interest free) repayable after a specified period (which often relates to when the recipient leaves the employment of us or a subsidiary, or when the recipient dies) to purchase our subordinate voting shares. A loan made to any individual was on a one-time or infrequent basis, and the shares purchased with the loan

are expected to be held, not traded. All loans made under the Plan have been for the purchase of outstanding shares, so that they involve no unissued treasury stock and consequently no dilution to shareholders. Until repayment, the shares are held by a trustee subject to the terms of the Plan. Of the \$18.9 million of currently outstanding loans made under the Plan to all current and former executive officers, directors and employees of us and our subsidiaries (including \$6.1 million to our current executive officers), \$11.1 million (including \$5.8 million to our current executive officers) have been refinanced by the borrowers with a Canadian chartered bank (the current aggregate value of the shares securing these refinanced loans is approximately \$29 million). We or our subsidiaries pay the prime plus one-half percent per annum interest on these refinanced loans on behalf of the borrowers and may under certain circumstances be obligated to purchase these loans from the bank.

(1) The value of perquisites of each named executive officer does not exceed the lesser of \$50,000 and 10% of total annual salary and bonus. Except as noted below, the amounts quoted in this column represent the taxable benefits on interest or deemed interest on loans with respect to the share purchase plan described above under "Indebtedness of Directors and Executive Officers".

(2) The amounts shown are payments in respect of life insurance policies and registered retirement savings plans contributions made in lieu of the establishment of a pension plan.

(3) In 2005, Mr. Taylor received a grant of options on 5,800 of our outstanding subordinate voting shares, vesting as to 50% in 2010 and 50% in 2015 at an exercise price of \$211.37. In 2004, Mr. Martin received a grant of options on 2,500 of our outstanding subordinate voting shares, vesting as to 50% in 2009 and 50% in 2014 at an exercise price of \$200. All option grants are on our issued and outstanding shares purchased in the market as described below under "Equity Compensation Plan".

(4) Mr. Taylor assumed the office of Chief Financial Officer in May, 2005. Prior thereto Mr. Taylor was the Chief Financial Officer of our subsidiary Northbridge Financial Corporation. A portion of the salary and bonus amounts shown above were paid to Mr. Taylor by Northbridge.

Equity Compensation Plan

We have established an equity compensation plan under which stock-related awards may be made to the executive officers of us and our subsidiaries. An award made to any individual is on a one-time or infrequent basis, and the awards granted are expected to be held, not traded. The awards are made of our subordinate voting shares which are outstanding and the shares underlying these awards are purchased in the market and paid for in full so that they involve no unissued treasury stock and no dilution to shareholders. As at December 31, 2005, a total of 32,160 options have been granted to our employees, representing 0.19% of our subordinate voting shares outstanding as at that date. For U.S. participants, the plan is structured as a restricted share plan, providing grants of outstanding shares which vest at future dates. For participants in

Canada, the plan operates as much as possible like a restricted share plan but, in light of differences in applicable tax law, is structured instead to provide awards of options on outstanding shares purchased in the market, with the exercise price of each share being at least the market price on the date of grant. The option is generally exercisable as to 50% five years from the date of grant and as to the remainder ten years from the date of grant, subject to the grantee remaining an employee of us or our subsidiaries at the time the option becomes exercisable, and generally expires 15 years from the date of grant. Upon any option exercise we may provide a bonus equal to the exercise price, but have no obligation to do so. Any option grant is made by our affiliated entity incorporated for that purpose, which upon any exercise may, but is not obligated to, pay an amount equal to any dividends paid on the shares acquired upon the option exercise during the period from the date of grant to the date of exercise. As the shares are purchased in the market and fully paid for, there is no further cost to either us or our affiliate in the event such discretionary payments are made.

Details of the above-described options on outstanding subordinate voting shares granted to our executive officers during 2005 are shown in the following table:

Name	Number of Options Granted	% of Total Options Granted to Employees in 2005	Exercise Price	Market Value of Underlying Shares on the Date of Grant	Expiration Date
Jean Cloutier	1,320	14.7	\$189.50	\$189.44	March 30, 2020
Greg Taylor	5,800	64.7	211.37	211.37	June 1, 2020
Jane Williamson	1,850	20.6	189.50	189.44	March 30, 2020

Note: All material terms of the above grants are set out in the commentary preceding the above table.

Executive Share Ownership

All of our executive officers are long term shareholders of Fairfax. While we do not have formal executive share ownership guidelines, our executive officer are expected to hold their shares throughout their tenure. In practice, with the exception of charitable donations, there has been almost no trading of our shares by our executive officers.

Executive Compensation

In 2005, our Compensation Committee evaluated the performance of each of our executive officers and reviewed and approved their compensation, including that of our Chairman and Chief Executive Officer, Mr. Watsa.

Mr. Watsa proposed to the Compensation Committee the remuneration of our other executive officers. Except in the case of Mr. Watsa, as described below, the remuneration of executive officers consists of an annual base salary, an annual bonus (if and to the extent appropriate) and long term participation in our fortunes by the ownership of shares through the equity compensation plan (details of this participation are set out above under “Equity Compensation Plan”) and through the now discontinued share purchase plan (details of this participation are set out above under “Indebtedness of Directors and Executive Officers”). An award to an individual under the foregoing plans is made on a one-time or infrequent basis, and the award granted is expected to be held, not traded. The Compensation Committee considered the proposals by Mr. Watsa, which included a description of the accomplishments and roles of our executive officers.

Since 2000, Mr. Watsa has agreed that his aggregate compensation from us will consist solely of an annual salary of \$600,000 (and standard benefits provided to our executives generally), with no bonus or other profit participation and no participation in any equity plans (other than the employee payroll share purchase plan).

Statement of Corporate Governance Practices

In 2005, our Board of directors, in consultation with outside experts retained by the Board, reviewed our corporate governance practices. As part of this process, and by way of formalizing our governance approaches, the Board (i) approved a set of Corporate Governance Guidelines that includes the Board's written mandate, (ii) established a Governance and Nominating Committee and a Compensation Committee (in addition to the previously established Audit Committee), (iii) approved written charters for all of its committees (which charters include position descriptions for the Chair of each committee), (iv) approved a Code of Business Conduct and Ethics applicable to our directors, officers and employees and (v) established, in conjunction with the Audit Committee, a Whistleblower Policy. All of these items are available for review on our website at www.fairfax.ca under the heading "Corporate Governance".

The Corporate Governance Guidelines retain and enhance the principles and practices described in prior Management Proxy Circulars as underlying our governance system. The Code of Business Conduct and Ethics is built around the first value in our longstanding and regularly reported Guiding Principles — "honesty and integrity are essential in all our relationships and will never be compromised".

Our corporate governance practices are in compliance with all applicable rules and substantially comply with all applicable policies and guidelines, including those of the Canadian Securities Administrators and the NYSE. A description of our corporate governance practices is set out below.

Independent Directors

The Board has affirmatively determined that the following directors are independent in that each of them has no material relationship with us, that is, a relationship which could, in the Board's view, be reasonably expected to interfere with the exercise of the member's independent judgment: Frank B. Bennett, Anthony F. Griffiths, Brandon W. Sweitzer, Paul Murray and our retiring director, Robbert Hartog. In making this determination, the Board considered, among other things, that none of those individuals (i) is, or has been within the last three years, an employee or member of management of us or our subsidiaries or related to any member of management, (ii) is related to our controlling shareholder, (iii) is associated with our auditor or has any family member that is associated with our auditor, (iv) receives any direct or indirect compensation (including to family members) from us except in connection with Board related work, (v) works or has worked at a company for which any member of our management was a member of the compensation committee, or (vi) has (other than possibly as an insured under an insurance policy issued on usual commercial terms) any material business or other relationship with us, our subsidiaries or our controlling shareholder. Accordingly, all of our directors are independent except for V. Prem Watsa, our Chairman and CEO.

Our directors have an on-going obligation to inform the Board of any material changes in their circumstances or relationships that may affect the Board's determination as to their independence and, depending on the nature of the change, a director may be asked to resign as a result.

Lead Director and Independent Functioning of the Board

Our Chairman is also our CEO and controlling shareholder. Accordingly, the Board has appointed Anthony F. Griffiths as the Lead Director of Fairfax. The Lead Director is responsible for ensuring the independent functioning of the Board, including establishing, in consultation with the CEO, the agenda for each Board meeting, acting as spokesperson for the independent directors collectively in communications with the Chairman and presiding over meetings of the independent directors. Our Corporate Governance Guidelines set out a mechanism by which shareholders and others can communicate directly with the Lead Director.

The agenda for each Board meeting (and each committee meeting to which members of management have been invited) affords an opportunity for the independent directors to meet separately and the independent directors regularly exercise that opportunity. In 2005, the independent directors held three *in camera* meetings, at which 100% of the independent directors attended. All committees are composed solely of independent directors.

Corporate Governance Guidelines (including Board Mandate)

Our Corporate Governance Guidelines, which include our Board Mandate, set out the overall governance principles that apply to us. Our Corporate Governance Guidelines include (i) position descriptions for each of the Chairman, the Lead Director and the CEO, (ii) sole authority for the Board and each committee to appoint, at our expense, outside advisors in connection with the performance of its duties, including determining fees and other retention terms, (iii) a mechanism for shareholders and others to communicate with us, (iv) share ownership requirements for directors, (v) obligations of directors in respect of meeting preparation and attendance, (vi) accountability of the CEO to the Board for implementing and achieving our Guiding Principles and corporate objectives approved by the Board and (vii) the Board's adoption of and commitment to the Code of Business Conduct and Ethics, which is applicable to all of our directors, officers and employees.

In our Corporate Governance Guidelines, the Board has explicitly assumed responsibility for our stewardship and for supervising the management of our business and affairs. Our Board Mandate states:

The directors' primary responsibility is to act in good faith and to exercise their business judgment in what they reasonably believe to be the best interests of Fairfax. In fulfilling its responsibilities, the Board is, among other matters, responsible for the following:

- Appointing the CEO and other corporate officers;
- On an ongoing basis, satisfying itself as to the integrity of the CEO and other executive officers and that the CEO and the other executive officers create a culture of integrity throughout Fairfax;

- Monitoring and evaluating the performance of the CEO and the other executive officers against the approved Guiding Principles and corporate objectives;
- Succession planning;
- Approving, on an annual basis, Fairfax's Guiding Principles and corporate objectives;
- Satisfying itself that Fairfax is pursuing a sound strategic direction in accordance with the approved Guiding Principles and corporate objectives;
- Reviewing operating and financial performance results relative to established corporate objectives;
- Approving an annual fiscal plan;
- Ensuring that it understands the principal risks of Fairfax's business, and that appropriate systems to manage these risks are implemented;
- Ensuring that the materials and information provided by Fairfax to the Board and its committees are sufficient in their scope and content and in their timing to allow the Board and its committees to satisfy their duties and obligations;
- Reviewing and approving Fairfax's annual and interim financial statements and related management's discussion and analysis, annual information form, annual report and management proxy circular;
- Approving material acquisitions and divestitures;
- Confirming the integrity of Fairfax's internal control and management information systems;
- Approving any securities issuances and repurchases by Fairfax;
- Declaring dividends;
- Approving the nomination of directors;
- Approving the charters of the Board committees and approving the appointment of directors to Board committees and the appointment of the Chairs of those committees; and
- Adopting a communications policy for Fairfax (including ensuring the timeliness and integrity of communications to shareholders and establishing suitable mechanisms to receive shareholder views).

Our Board has delegated to management responsibility for our day to day operations, including for all matters not specifically assigned to the Board or any committee of the Board.

Audit Committee

The members of our Audit Committee are Robbert Hartog (Chair), Frank Bennett, Anthony Griffiths and Paul Murray, all of whom are independent and financially literate. In addition, both Mr. Hartog and Mr. Murray have accounting or related financial management expertise and are therefore financial experts as defined by the SEC. Mr. Hartog has been a director and member of our Audit Committee since 1985. He is familiar with our factual and financial aspects and has a clear understanding of the accounting principles used in the preparation of our financial statements. Mr. Hartog previously owned and operated a company where he was deeply involved in all aspects of its financial operations and the preparation of its financial statements. Mr. Bennett has significant experience with financial statement disclosure through work at investment banking firms and as President of a private equity investment firm since 1998. Anthony Griffiths received an MBA from Harvard University. He has extensive experience as an Audit Committee and Board member of a number of public companies and has a sound understanding of accounting principles, including those used in preparation of our financial statements. Mr. Murray is a chartered accountant and has considerable experience on the Board and Audit Committees of public companies. Mr. Murray has been the Chief Financial Officer of a public company listed on the TSX and the President of a manufacturing company. For additional information concerning Messrs. Bennett, Griffiths and Murray, please see the information above under "Election of Directors".

Our Corporate Governance Guidelines prohibit a member of the Audit Committee from serving on the Audit Committees of more than two other public companies (with the exception of our public company subsidiaries) except with the prior approval of the Board, including a determination by the Board that such service would not impair the ability of the director to effectively serve on the Audit Committee. Two of the members of our Committee, Frank Bennett and Anthony Griffiths, are members of the Audit Committees of, respectively, four other public companies (two of which are our subsidiaries) and six other public companies (four of which are our subsidiaries). The Board has approved Messrs. Bennett and Griffiths acting on these other Audit Committees and has determined that such service does not impair their ability to effectively serve on our Committee.

The responsibilities of the Audit Committee include (i) recommending to the Board the auditor to be nominated for approval by shareholders, (ii) approving the compensation of the auditor, (iii) overseeing the work of the auditor and management with respect to the preparation of financial statements and audit related matters and communicating regularly with the auditor and management in that regard, (iv) ensuring that suitable internal control and audit systems are in place, (v) reviewing annual and interim financial information, including MD&A, prior to its release and (vi) reviewing annual and interim conclusions about the effectiveness of our disclosure controls and procedures and internal controls and procedures. The text of our Audit Committee Charter can be found on our website, www.fairfax.ca, or in our Annual Information Form under the heading "Audit Committee", which is available on SEDAR, www.sedar.com. Our Annual Information Form also contains information concerning fees paid to our external auditors for services they have rendered to us in each of the last two fiscal years.

In order to ensure the independence of our external auditor, the Committee has adopted a Policy on Review and Approval of Auditor's Fees requiring Audit Committee approval of all audit and non-audit services provided by the auditor and, among other things, requiring the CFO and the auditor to report to the Committee quarterly on the status of projects previously pre-approved.

Compensation Committee

All members of the Compensation Committee are independent. The responsibilities of the Committee include establishing the compensation of directors and approving the compensation of the CEO and other executive officers. In establishing the compensation of the directors, the Committee will examine the time commitment, responsibilities and risks associated with being a director and compensation paid by companies similar to us. In approving the compensation of the CEO, the important factors for evaluating the CEO's performance are our Guiding Principles and corporate objectives.

Governance and Nominating Committee

All members of the Governance and Nominating Committee are independent. The Committee is responsible for our overall approach to corporate governance. The Committee recommends nominations to the Board each year and recommends the directors it considers qualified for appointment to each Board committee and as Chair of each committee. The Committee is also responsible for annually evaluating and reporting to the Board on the performance and effectiveness of the Board, each of its committees and each of its directors. In conducting that evaluation, the Committee considers the Corporate Governance Guidelines, applicable committee charters and position descriptions, and the contributions individual members are expected to make. The Committee also monitors changes in the area of corporate governance and recommends any changes it considers appropriate.

Selection of Directors

We seek as directors committed individuals who have a high degree of integrity, sound practical and commercial judgment and an interest in the long term best interests of us and our shareholders. With this goal in mind, each year the Board determines what competencies and skills the Board as a whole should possess (taking into account our particular business and what competencies and skills each existing director possesses). The Board makes these determinations at a time suitable for the Governance and Nominating Committee to reflect them in its recommendations for nominees to the Board. In making its recommendations, the Governance and Nominating Committee also considers the competencies and skills any new nominee may possess, the independence requirements and the requirements for any distinctive expertise.

Orientation and Continuing Education of Directors

Each new director will receive a comprehensive orientation from our Chairman, including an overview of the role of the Board, the Board committees and each individual member, the nature and operation of our business and the contribution and time commitment the new director is expected to make. The orientation will include access to our senior management and facilities. The Lead Director will also meet with each new director to orient that director on the independent operation and functioning of the Board.

The Board is responsible for considering from time to time appropriate continuing education for directors, which may include presentations from management, site visits and presentations from industry experts. Each director is expected to maintain the necessary level of expertise to perform his or her responsibilities as a director and, as discussed in more detail below, is subject to an annual evaluation.

Board Performance Evaluation

Each year a confidential annual review process is completed to assess the overall effectiveness of the Board, the individual directors and each committee. As part of this process, each director completes a Board Effectiveness Survey and a Confidential Director Self-Evaluation Form. The Board Effectiveness Survey reviews Board responsibilities, operation and effectiveness. The Director Self-Evaluation Form asks directors to consider their participation on and contributions to the Board and its committees and their goals and objectives in serving as a director of our company. The Chair of the Governance and Nominating Committee collates the results of the survey and meets with individual directors to discuss evaluations at a director's request (or as required to address a specific issue) and reports to the Governance and Nominating Committee and to the Board on evaluation results.

Ethical Business Conduct

The Board has approved a Code of Business Conduct and Ethics that is built around the first value in our Guiding Principles — "honesty and integrity are essential in all our relationships and will never be compromised". The Board is responsible for monitoring compliance with the Code and accordingly has, in conjunction with the Audit Committee, established a Whistleblower Policy pursuant to which violations of the Code can be reported confidentially or anonymously and without risk of recrimination. The Board has also approved a Public Disclosure Policy applicable to all directors and employees and those authorized to speak on our behalf.

Among other things, the Code requires every director, officer and employee of Fairfax to be scrupulous in seeking to avoid any actual, potential or perceived conflict of interest and to constantly consider whether any may exist. If any material transaction or relationship that could give rise to a conflict of interest arises, the individual must immediately advise the Chair of the Audit Committee in writing and not take any action to proceed unless and until the action has been approved by the Audit Committee. The Governance and Nominating Committee also reviews all proposed significant related party transactions involving directors, executive officers or a controlling shareholder.

Solicitation of Proxies

Our management is soliciting the enclosed proxy for use at the Annual Meeting of Shareholders to be held on May 11, 2006 and at any adjournment thereof.

We will bear the cost of soliciting proxies. We will reimburse brokers, custodians, nominees and other fiduciaries for their reasonable charges and expenses incurred in forwarding proxy material to beneficial owners of shares. In addition to solicitation by mail, certain of our officers and employees may solicit proxies personally or by a means of telecommunication. These persons will receive no compensation therefor beyond their regular salaries.

The information contained in this management proxy circular is given as at March 31, 2006, except where otherwise noted.

Provisions Relating to Proxies

All properly executed proxies delivered to our transfer agent, CIBC Mellon Trust Company, at Proxy Department, 200 Queens Quay East, Unit 6, Toronto, Canada M5A 4K9 or via fax to (416) 368-2502, before 12:00 noon (Toronto time) on May 10, 2006, or to the chairman or secretary of the meeting for which the proxy is given before the time of voting, will

be voted or withheld from voting, as appropriate, at the meeting and, if a choice is specified in respect of any matter to be acted upon, will be voted or withheld from voting in accordance with the direction given. **In the absence of such direction, such proxies will be voted for the election of directors and appointment of auditors as described above.**

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments to or variations of matters identified in the notice of meeting and with respect to other matters which may properly come before the meeting. At the date of this circular, our management knows of no such amendments, variations or other matters.

The persons named in the enclosed proxy are two of our officers. **If you wish to appoint some other person to represent you at the meeting, you may do so either by inserting such other person's name in the blank space provided in the enclosed proxy or by completing another form of proxy.** Such other person need not be a shareholder.

Under governing law, only registered holders of our subordinate voting and multiple voting shares, or the persons they appoint as their proxies, are permitted to attend and vote at the meeting. However, in many cases, our subordinate voting shares beneficially owned by a holder (a "Non-Registered Holder") are registered either:

- (a) in the name of an intermediary that the Non-Registered Holder deals with in respect of the shares, such as, among others, banks, trust companies, securities dealers, brokers, or trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; or
- (b) in the name of a depository (such as The Canadian Depository for Securities Limited or Depository Trust Company).

In accordance with Canadian securities law, we have distributed copies of the notice of meeting, this management proxy circular, the form of proxy and the 2005 Annual Report (which includes management's discussion and analysis) (collectively, the "meeting materials") to the depositories and intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward meeting materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, intermediaries will use service companies to forward the meeting materials to Non-Registered Holders. Non-Registered Holders who have not waived the right to receive meeting materials will:

- A. be given a proxy which has already been signed by the intermediary (typically by a facsimile, stamped signature) which is restricted to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise uncompleted. This form of proxy need not be signed by the Non-Registered Holder. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it as described above; or
- B. more typically, receive, as part of the meeting materials, a voting instruction form which must be completed, signed and delivered by the Non-Registered Holder in accordance with the directions on the voting instruction form (which may in some cases permit the completion of the voting instruction form by telephone or through the Internet).

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the shares they beneficially own. Should a Non-Registered Holder who receives either a proxy or a voting instruction form wish to attend and vote at the meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons named in the proxy and insert the Non-Registered Holder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form. **In either case, Non-Registered Holders should carefully follow the instructions of their intermediaries and their service companies.**

If you have given a proxy, you may revoke it by an instrument in writing executed by you or by your attorney authorized in writing or, if you are a corporation, under your corporate seal or by an officer or attorney duly authorized, and deposited

either at our head office at any time up to and including the last business day preceding the day of the meeting, or any adjournment thereof, at which the proxy is to be used or with the chairman or secretary of the meeting on the day of the meeting or any adjournment thereof.

A Non-Registered Holder may revoke a voting instruction form or a waiver of the right to receive meeting materials and to vote given to an intermediary at any time by written notice to the intermediary, except that an intermediary is not required to act on a revocation of voting instruction form or of a waiver of the right to receive materials and to vote that is not received by the intermediary at least seven days prior to the meeting.
